**Local Area Coordinator (LAC)
Project**

*Supporting Families, Children and
Young People aged 0-24 years
with additional needs in
Longford and Westmeath*

Aims and Objectives:

The LAC Project aims to ensure children and young people (0-24) with additional needs in Westmeath and Longford have access, participation and seamless transitions across a range of service providers

We will support both families and services through:

Families

- * Support parents to access information regarding services and supports through the directory of services
- * Supporting parents and young people with additional needs to make smooth transitions from home to Early Years settings, National and Secondary Schools, Youth Groups and Higher Education

Services

- * Support these services in providing for and embedding an inclusive culture for children and young people with additional needs
- * Empowering these settings to create changes as required to meet the learning and developmental needs of the young person with additional needs

The Local Area Coordination Project strives to continuously link and support families to services for children and young people with additional needs in Longford and Westmeath. We aim to promote the overall development and enabling improvements in social, emotional and cognitive well being of children and young people with additional needs

Who can request support?

If you work with or are a parent/guardian for a child or young person aged 0-24 years with an additional need, they can be referred to us and we will provide support in sourcing an appropriate service to meet the additional need

How do I request the service?
